

Figure 4. Notification for CCL and Non-DEMIL-Required USML Property to Special Programs, Continued

For additional information relating to export/import, recipients may contact the DoD DEMIL Program Office for assistance (<https://www.demil.osd.mil/>).

Once the approval has been received, the recipient further acknowledges and agrees that before any export or re-export of this property is attempted, they must contact the Directorate of Defense Trade Controls, Department of State (<http://www.pmdtc.state.gov/>) to obtain the necessary export licensing authorization.
