

f. The borrower will neither make nor permit any modification or alteration of any borrowed materiel except with permission of the approving authority for the loan.

g. The borrower will not mortgage, pledge, assign, transfer, sublet, or part with possession of any borrowed materiel in any manner to any third party either directly or indirectly except with the prior written approval of the lender.

h. At all times the lender shall have free access to all loaned materiel for the purpose of inspecting or inventorying it.

i. The borrower will return borrowed materiel to a location designated by the lender when the materiel is no longer needed; upon termination of the loan period (including any approved extension); or upon demand therefore by the lender. The lender will provide documents to be used by the borrower to return the materiel.

j. (Applicable to agreements involving the loan of an Army building.) The building will not be moved. Upon termination of its use, the borrowing activity will vacate the premises, remove its own property therefrom, and turn in all Government property.

4. PAYMENT. The borrower will reimburse the lender for expenses incurred in connection with this loan as provided below:

a. (Applicable to loan agreements with civil authorities — except for FDAA requested disaster assistance — and civilian activities only.) Before delivery of any materiel by the lender, the borrower will post with the approving authority a surety bond and a certified bank check, a cash deposit, US Treasury bonds, or bonding company bond in the amount of the total value of the materiel as shown in Exhibit I. (See paragraphs 2-3a(1) and 2-3a(2), AR 700-131, for exceptions where a "double bond" is required.) The bond, marked Exhibit II, is hereto attached and incorporated by reference into the terms of this agreement.

b. (Applicable to loan agreements with civil authorities — except for FDAA requested disaster assistance — and civilian activities only.) Should the borrower fail to return any of the borrowed materiel or fail to reimburse the lender within 30 days after receiving a request for payment of expenses, the bond shall be forfeited as liquidated damages in an amount equal to the expense to the Government.

c. (Applicable to loan agreements with civil authorities — except for FDAA requested disaster assistance — and civilian activities only.) Payment of liquidated damages by forfeiture of any portion of the bond to the Government shall not operate as a sale to the borrower of any of the materiel available to be returned, but not returned to the lender, nor to extinguish the lender's right to have the available missing materiel returned. Should the borrower later return to the lender any of the missing materiel on account of which a portion of the bond was forfeited as liquidated damages, the borrower shall be entitled to recoup from the lender a sum equal to 90 percent of the price of the returned materiel as shown on Exhibit I, less an amount in payment for expenses, if any, computed in accordance with Chapter 6, AR 700-131, and less an amount for depreciation.

d. (Applicable to loan agreements with civil authorities and civilian activities only.) If the normal life expectancy of borrowed materiel can be determined by reference to applicable military publications, the amount to be assessed for depreciation shall be computed by the straight line method using the price shown on Exhibit I and the date of expiration or termination of this loan as initial points. When normal life expectancy is not established by applicable military publications, the amount for depreciation shall be computed by the same method, applying a uniform depreciation rate of 50 percent per annum.

e. (Applicable to loan agreements with civil authorities and civilian activities only.) The borrower will assume all responsibility for Army claims arising from the possession, use, or transportation of the borrowed materiel; and, agrees to hold the lender harmless from any such claims and liability. The borrower will protect the interests of the lender by procuring comprehensive insurance for all borrowed materiel to include coverage for liability, property damage, fire, and theft; and deductible collision insurance for motorized vehicles. The borrower will file duplicate copies of such insurance policy(ies) with the lender and prepare accident reports in accordance with existing laws and local ordinances.

f. The borrower will bear the cost of pickup and return of borrowed materiel; and, will reimburse the lender for costs incurred incident to packing, crating, handling, movement, and transportation of the materiel.

g. The borrower will reimburse the lender for any expenses necessary to repair, rehabilitate, or preserve the materiel following its return to the lender. (NOTE: Of any borrowed materiel, unless depreciation is significant.)

h. The borrower will reimburse the lender (as indicated and at the price shown on Exhibit I) for the cost of all of the expendable materiel (including, but not limited to, petroleum, oil, and other lubricants) used or consumed during this loan.

i. The borrower will reimburse the lender for costs incident to the pay of Army personnel who may be temporarily required to operate, maintain, guard, or otherwise attend to borrowed Army materiel. This includes travel and per diem costs for both Army uniformed and civilian personnel, and regular salary and overtime costs for Army civilians.
