SPECIFIC INSTRUCTIONS

Section 1:

- a. Information about the applicant should go here. An “applicant” refers to any person requiring Special priorities Assistance and eligible for such assistance under the TPAS. A “person” in this context is any individual, corporation, partnership, association, or other organized group of persons, a US Government agency or any other government.
- b. Information about the end-user or ultimate customer for the item or service goes here.

Section 2:

Recognizing that many requests for special priorities may involve interim services or items, please complete this section describing the “end product” that will be improved through providing the priority listed. An example would be providing freight rail transportation for a subcomponent of a major item that is direly needed for the national defense by the Government. Explain how the transportation of the subcomponent will fulfill the Government’s need.

Section 3:

Here you provide information on the item or service you provide and seek special priority assistance with. What is it called, how many or how

much, what is the description and also the estimated dollar value of the item/service itself. This helps DOT understand the scope of your request.

Section 4:

This section helps DOT understand who your supplier or service provider is. These are the people who need to move faster to accomplish your priority objective.

Section 5:

Please provide enough information so DOT understands the need for and urgency of your request.

Section 6:

This section certifies that the information is correct, to the best knowledge of the person whose name and/or signature is shown (depending on format of form used). It is a criminal offense under 18 U.S.C. 1011 to make a willfully false statement or representation to any U.S. Government agency as to any matter within its jurisdiction.

Continuation Section

Understanding that situations requiring requests for special priorities assistance may be complex and information required not easily confined to sections on a form, you are provided this opportunity to provide any additional information that will assist DOT in making a determination on your request.
