Purpose of the Proposed New Activity/New Product/Expanded Activity Submission

The Notice of New Activity (NNA) submission addresses two functions of the Federal Housing Finance Agency—it provides information on activities that may constitute a new product or new activity under the Housing and Economic Recovery Act of 2008 (12 USC 4541) and on activities that do not constitute a new product subject to the approval provisions of the law, but represent an activity that merits safety and soundness review under multiple provisions of the Federal Housing Enterprises Financial Safety and Soundness Act (12 USC 4501 et seq.)

Once the submission is made, FHFA will first determine if the activity is a new product and will direct consideration of such product under the provisions of the statute and regulation, which may involve public comment. If the new activity is determined not to be a new product, then the information contained in the submission will be employed by FHFA for a review of safety and soundness matters as part of its routine supervisory program.
