

12. If the recording or imagery to be used in the production captures medical treatment being performed on DoD personnel, the project officer shall require the production company to gain written consent from such DoD personnel. In the case of DoD personnel who are deceased or incapacitated, the project officer shall require the production company to gain written consent from the next of kin of the deceased or incapacitated DoD personnel.

13. All Department of Defense uniformed and civilian personnel who are photographed or sound recorded by the documentary production company are considered to be on duty and are precluded from receiving any compensation from the production company or any other party as a result of their appearance in the production or subsequent authorized productions, or as a result of the use of their name, likeness, life story or other rights for any purpose. Military personnel in an off-duty, non-official status may be hired by the production company to perform as actors, extras, etc., provided there is no conflict with existing Service regulations. In such cases, these conditions apply:

a. Contractual agreements are solely between those individuals and the production company; however, they should be consistent with industry standards.

b. The DoD project officer will ensure that DoD personnel will comply with standards of conduct regulations in accepting employment.

c. The production company is responsible for any disputes with unions governing the hiring of non-union actors or extras.

14. No photography or sound recordings made with DoD assistance and no DoD photography and sound recordings released for this production will be reused or sold for use in other productions without DoD approval. The foregoing will not prohibit the production company from exploiting the production in any and all ancillary markets, now known or hereafter devised (including, without limitation, television, web content, home video and theme parks) or from using clips in promotional material relative thereto.

15. The production company will identify any and all re-enactments in the production by placing the word "RE-ENACTMENT" on the screen, in a legible format and of a legible size, for either the duration of the re-enactment or at the beginning of the re-enactment for a period of not less than 3 seconds and reappearing every subsequent 10 seconds for a period of 3 seconds until complete. This activity will occur for every instance of a re-enactment in the production.

16. The production company will use its best efforts to place a credit in the end titles immediately above the "Special Thanks" section (if any) substantially in the form of "Special Thanks to the United States Department of Defense," with no less than one clear line above and one clear line below such credit acknowledging the DoD assistance provided. Such acknowledgment(s) will be in keeping with industry customs and practices, and will be of the same size and font used for other similar credits in the end titles.
