

IMPORTANT TERMS of our HOME EQUITY LINE OF CREDIT

This disclosure contains important information about our Home Equity Line of Credit. You should read it carefully and keep a copy for your records.

Availability of Terms: To obtain the terms described below, you must submit your application before January 1, 1990.

If these terms change (other than the annual percentage rate) and you decide, as a result, not to enter into an agreement with us, you are entitled to a refund of any fees that you have paid to us or anyone else in connection with your application.

Security Interest: We will take a mortgage on your home. You could lose your home if you do not meet the obligations in your agreement with us.

Possible Actions: Under certain circumstances, we can (1) terminate your line, require you to pay us the entire outstanding balance in one payment, and charge you extra fees; (2) refuse to make additional extensions of credit; and (3) reduce your credit limit.

If you ask, we will give you more specific information concerning when we can take these actions.

Minimum Payment Requirements: You can obtain advances of credit for 10 years (the "draw period"). During the draw period, payments will be due monthly. Your minimum monthly payment will equal the greater of \$100 or 1/360th of the outstanding balance plus the finance charges that have accrued on the outstanding balance.

After the draw period ends, you will no longer be able to obtain credit advances and must pay the outstanding balance over 5 years (the "repayment period"). During the repayment period, payments will be due monthly. Your minimum monthly payment will equal 1/60th of the balance that was outstanding at the end of the draw period plus the finance charges that have accrued on the remaining balance.

Minimum Payment Example: If you made only the minimum monthly payments and took no other credit advances, it would take 15 years to pay off a credit advance of \$10,000 at an ANNUAL PERCENTAGE RATE of 12%. During that period, you would make 120

monthly payments varying between \$127.78 and \$100.00 followed by 60 monthly payments varying between \$187.06 and \$118.08.

Fees and Charges: To open and maintain a line of credit, you must pay the following fees to us:

- Application fee: \$150 (due at application)
- Points: 1% of credit limit (due when account opened)
- Annual maintenance fee: \$75 (due each year)

You also must pay certain fees to third parties to open a line. These fees generally total between \$500 and \$900. If you ask, we will give you an itemization of the fees you will have to pay to third parties.

Minimum Draw and Balance Requirements: The minimum credit advance you can receive is \$500. You must maintain an outstanding balance of at least \$100.

Tax Deductibility: You should consult a tax advisor regarding the deductibility of interest and charges for the line.

Variable-Rate Information: The line has a variable-rate feature, and the annual percentage rate (corresponding to the periodic rate) and the minimum payment can change as a result.

The annual percentage rate includes only interest and not other costs.

The annual percentage rate is based on the value of an index. The index is the monthly average prime rate charged by banks and is published in the *Federal Reserve Bulletin*. To determine the annual percentage rate that will apply to your line, we add a margin to the value of the index.

Ask us for the current index value, margin and annual percentage rate. After you open a credit line, rate information will be provided on periodic statements that we will send you.

Rate Changes: The annual percentage rate can change each month. The maximum ANNUAL PERCENTAGE RATE that can apply is 18%. Except for this 18% "cap," there is no limit on the amount by which the rate can change during any one-year period.
