

or assets. If no such Confidential Information Memorandum exists, submit any document(s) given to any officer(s) or director(s) of the buyer meant to serve the function of a Confidential Information Memorandum. This does not include ordinary course documents and/or financial data shared in the course of due diligence, except to the extent that such materials served the purpose of a Confidential Information Memorandum when no such Confidential Information Memorandum exists. Documents responsive to this item are limited to those produced up to one year before the date of filing.

**Item 4(d)(ii)**

Provide all studies, surveys, analyses and reports prepared by investment bankers, consultants or other third party advisors ("third party advisors") for any officer(s) or director(s) (or, in the case of unincorporated entities, individuals exercising similar functions) of the UPE of the acquiring or acquired person or of the acquiring or acquired entity(s) for the purpose of evaluating or analyzing market shares, competition, competitors, markets, potential for sales growth or expansion into product or geographic markets that specifically relate to the sale of the acquired entity(s) or assets. This item requires only materials developed by third party advisors during an engagement or for the purpose of seeking an engagement. Documents responsive to this item are limited to those produced up to one year before the date of filing.

**Item 4(d)(iii)**

Provide all studies, surveys, analyses and reports evaluating or analyzing synergies and/or efficiencies prepared by or for any officer(s) or director(s) (or, in the case of unincorporated entities, individuals exercising similar functions) for the purpose of evaluating or analyzing the acquisition. Financial models without stated assumptions need not be provided in response to this item.

**Limited response for acquired person.** For Items 5 through 7, the acquired person should limit its response in the case of an acquisition of:

- 1) assets, to the assets to be acquired;
- 2) voting securities, to the issuer(s) whose voting securities are being acquired and all entities controlled by such issuer; and/or
- 3) non-corporate interests, to the unincorporated entity(s) being acquired and all entities controlled by such unincorporated entity(s).

A person filing as both acquiring and acquired persons may be required to provide a separate response to Items 5 through 7 in each capacity so that it can properly limit its response as an acquired person. (See §§ 803.2(b) and (c)).

**ITEM 5**

This item requests information regarding dollar revenues. (See NAICS and NAPCS Data section on page II). All persons must submit all dollar revenues at the 6-digit NAICS industry code level. To the extent that dollar revenues are derived from manufacturing operations (NAICS Sectors 31-33), filers must also submit revenue by 10-digit NAPCS code. Concordance tables between 2012 10-digit NAICS codes and 10-digit 2017 NAPCS codes are available at <https://www.census.gov/programs-surveys/economic-census/guidance/understanding-napcs.html>.

List all NAICS and NAPCS codes in ascending order.

Acquiring persons filing notification should include the total dollar revenues for all entities included within the person filing notification at the time the Form is prepared. Acquired persons filing notification should include the total dollar revenues for all entities included within the acquired entity at the time the Form is prepared. If no dollar revenues are reported, check the "None" box and provide a brief explanation.

**Item 5(a)**

Provide 6-digit NAICS industry data concerning the aggregate U.S. operations of the person filing notification for the most recent year in all NAICS Sectors in which the person engaged. If the dollar revenues for a non-manufacturing NAICS code totaled less than one million dollars in the most recent year, that code may be omitted from Item 5(a).

Additionally, provide 10-digit NAPCS product code data for each product code within all manufacturing NAICS Sectors (31-33) in which the person engaged in the U.S., including dollar revenues for each product manufactured outside the U.S. but sold into the U.S. Sales of any manufactured product should be reported in a manufacturing code, even if sold through a separate warehouse or retail establishment.

If such data have not been compiled for the most recent year, estimates of dollar revenues by 6-digit NAICS codes and 10-digit NAPCS codes may be provided.

Check the Overlap box for every 6-digit manufacturing and non-manufacturing NAICS code and every 10-digit NAPCS code in which both parties to the transaction generate dollar revenues.
